Jesus calls Saul.
Acts 9:1-19

In week 2 of Immerse Messiah bible reading, we are learning together that the message of Jesus is for all people. Here are the three truths that we will see in this weeks reading.

Jesus was called to be the Messiah.

Jesus calls us to be his disciples.

Jesus calls us to serve others.

Parents,

Use the Messiah Family Guide to read everyday with your children. At the end of each reading there are a few questions about what you have read. For older children, if the family guide is not enough for them, they can have their own Immerse book for themselves. Get excited that God is working in you and your family!

Jesus for All People.

Draw an example of these statements for your life.

I am a disciple of Jesus
so I will live like Him.

I can live like Jesus by
sharing the good news
with others.

I can live like Jesus by
serving others.

Read Matthew 28:19-20

We see in today's readings that Jesus asks us to be his disciple and follow his example. We might not have to wear bible clothes or sandals but how can we look like Jesus to others? In the verse of Matthew 28:19-20 we see that he gives us an example to follow.

When he meets Saul on the road in Acts 1 he forever changes that persons life. From then on Saul who was renamed as Paul followed the example of Jesus.

We can see these three points through out the scriptures this week.

Jesus was called to be the Messiah.

Jesus calls us to be his disciples.

Jesus calls us to serve others.

Now it is our turn to live by Jesus' example and share the amazing message that he is our Messiah and He can change our lives forever!
